High Definition[®] Lifetime[†] Shingles

As featured on *This Old House*, the Timberline HDZ[®] Shingles installed here are Oyster Gray.

Millions of families have found shelter and peace of mind under a Timberline[®] roof.

And now, a good thing just got even better again.

We protect what matters most[™]

It's never just a roof. It's a promise, kept.

Providing a home means making a promise — of shelter, security, and stability. It says to the people who count on you, "You're going to be safe, dry, and warm under this roof."

Choosing a Timberline HDZ® roof is a great way to help keep that promise.

It's our first shingle ever to come with patented LayerLock™ Technology. That means it's engineered for the best possible installation.
